W. Mittercent, May 28. The Sensis bill subjecting Imported Squares to the form of the protest States was inden up.

Mr. Hougest such an expension against the described locality.

Mr. Further opposed the bill, anything the filest House expenses the title transmitted.

Alter further febate Mr Allison with

stred to restrain the liquor traffic in the army.

After further debate Mr. Allison withdrew the report.

The Hones Fortification bill reported from the Appropriation Committee with attendments was ordered laid on it e table and printed.

Consideration of the bill as to Lyaczi in prohibitory States was resumed.

Mr. Blair argued in support of the bill proposing to emend it may striking out the word "betweend" and insenting in lies word "betweend" and insenting in lies word "betweend it may be state of the State of its designation," so as to sailse the police power attach to liquors as soon as they resole the boundary line of ple State of their debteates.

The amendment was rejected.

The amendment was rejected.

Discossion in estiman, suggested some codifications of the statelists and stated that mader the deut-ion of the Supreme Court the law of his own State, miking it salawide to rely places or ammunition, would be rendered nugatory.

He was heard y in favor of the plancing of the bill but thought it imaging be so worded as to apply to all articles of commerce forbidden by State laws as well as to integripating japtors

Mr. Edmunds admitted that it was desirable to extend legislation to other subjects as the integripating japtors.

Mr. Edmunds admitted that it was desirable to extend legislation to other subjects than that ambraced in the bill, but he would have this one thing inone first and lea the other things be attended to after-deate.

Mr. Emets suggested that legislation to star adjects agains the sale of pixtoh would strike agains the sale of pixtoh would strike.

The second as discontinued.

The House was salled to order this morn-ar her finesher flood.
